

The Celebrations family takes BBQ and outdoor cooking seriously. So seriously in fact, the family's youngest addition, grandson Elijah, continued in this tradition by being born outdoors in an open field. We can only guess that even Eli knows it is never too early to join in the festivities and savor the delicious tastes and wonderful smells of food cooked over an open fire. You can be confident when you choose Eli's BBQ, because you are choosing three generations of BBQ expertise.

We know you'll love our BBQ "Eli and Grandpa promise"

Here are just a few of the things we do that separate us from the crowd:

- We use only natural lump charcoal and never chemical-added briquettes or gas.
- All our fresh meats are cooked at your location and never "precooked and finished on the grill."
- · All our meats are chef-carved at your place and never portion controlled.
- Our barbecues are "all-you-can-eat." We keep cooking until your guests stop eating.
- · All our recipes, including marinades, sauces and salad dressings, are made from scratch.
- All our buffet tables are theme decorated to enhance the overall feel and taste of your authentic BBQ experience.
- · Our homemade barbecue sauce has over 40 ingredients.YES, it's a secret.
- · AND YES, all these little extras are more work, but you, our customer, are worth it.

We strive to offer the most complete and authentic barbecue experience you will find anywhere. We have created a vast array of entrées, salads and side dishes for you to choose from. We encourage you to customize your barbecue or cook-out to include all your favorites.

Shopping for Catering – Price and Value A Note from the Owner

If you are reading this, more than likely you are in need of catering services. My goal is to help you in your decision making process. Obviously I want you to select *Celebrations* as your catering company. I am going to share my opinions, which are based on over three decades of foodservice experience. - □ Food, Service and Reputation. Utilize this checklist to evaluate any caterer.
- □ Get **proposals** from at least two different caterers.

- How experienced is the staff?

Ask For References. This is very important.

- □ Is the caterer able to provide you with multiple references?
- □ After receiving the references Do the legwork and **check them out**.
- Did some of the references you contacted have events similar to the type of function you are planning?

Food & Service Specifics
