# Wedding Packages

## Menu Planning

Our packages are designed specifically with your wedding reception in mind. Wedding menus differ from other options as they include the components that set this day apart from other celebrations including extended staff time to accommodate the flow of your reception, cocktail hour hors d'oeuvres, coffee and dessert service. You will find examples of menu packages for our wedding dinner buffets, family style meals, and Celebrations' well-loved full plated service. We coordinate meal timing carefully and provide a comfortable pace.

**PERSONALIZATION:** Celebrations is offering these menus as a starting point, and we encourage you to customize. Feel free to add butler-passed hors d'oeuvres along with additional entrées, salads, side dishes and soft drinks to any menu. Changes and substitutions are welcome and will be priced accordingly. You can create the perfect menu and Celebrations will implement excellence for your wedding.

**CHINA SERVICE:** Our china is an elegant white modestly decorated with a platinum rim. Other china styles are available. Celebrations' china is included in the Formal Dinner Service and Family-Style Dinner Service. Buffet style menus include a china dinner plate, with upgrading to full china service as an option.

## Event Services

As you work together with us designing a menu, we gather the information and details necessary for most of the "in advance" planning as it relates to food service. Timeline, color coordination, linens, and bartending, to name a few, all become part of the planning process. It's important to coordinate these details ahead of time, because it just makes your wedding day flow seamlessly. Listed below are additional services that we are happy to discuss with you.

**DAY-OF COORDINATION SERVICES:** Our event team will work with you to provide exceptional day-of coordination services at a reasonable price. Your coordinator will be your voice, ensuring your vision, your style and your priorities are being met while you enjoy each moment. Creating and managing your timeline, overseeing your vendors, event set up and break down are among the many services your coordinator can offer. Talk to us about your unique needs.

**OTHER VENDOR SERVICES:** Celebrations works closely and has long-standing relationships with numerous quality vendors. We can coordinate and help you with these necessities and be your single point of contact. This will remove all the stress and worry on your plate and put it squarely in the hands of a professional team.

**TENTS, SEATING & OTHER RENTALS:** We work with a number of rental companies depending upon the location of your reception and your rental needs. Tents, tables, chairs, dance floors, ceremonial arches, to name a few. We can arrange for specialty items such as lighting, portable generators, air motion systems, porta-toilets, along with other less common rental needs. We charge only a nominal coordination fee to provide you rentals at cost.

**WEDDING CAKES:** Need a wedding cake or cupcakes? Celebrations works with several vendors at different price points and delivery ranges. Your baker of choice will design, bake and deliver whatever you need.

# Wedding Packages

**LINENS:** There is a multitude of different styles, colors, materials and quality levels available for table linens. We work with a number of different vendors with various price points and levels of service. As we work together planning your reception, we can discuss all your options

**FLORAL:** Flower arrangements are a very personal and subjective choice. We can put you in touch with some excellent local florists who will work with you to achieve your vision.

**DJs and ENTERTAINMENT:** This is another very subjective choice based upon individual preferences. We can connect you with a variety of DJs and bands that we know are reliable professionals. You can decide from there.

**LIMOUSINE SERVICE:** We can provide recommendations for whatever your transportation needs may be. Chauffeur-driven vehicles, guest shuttling and valet parking are all available.

## **Bar Services**

Celebrations Catering is fully licensed and insured by the state of New Hampshire, allowing us the opportunity to provide you with professional and responsible bartending for you and your guests. The number of bartenders needed to serve you properly depends primarily on the number of guests, along with the particular logistics of your reception. We will work closely with you to accommodate your specific needs and preferences.

**CASH BAR:** With this model, we provide a full bar including a diverse selection of beer, wine, mixers and spirits. We offer both select and premium liquors priced accordingly. We will supply all necessary equipment such as coolers, ice containers, bottle openers, corkscrews, stirrers, pourers, cocktail napkins and clear disposable cups. Glasses and stemware are available and priced accordingly. Your guests will be charged individually based on consumption. Pricing guidelines will be provided.

**OPEN BAR:** If you would prefer an open bar, we will provide the same service mentioned above, only we keep a running tab or charge per person based on length of service time and alcohol selection. Another available option is to have a combination of an open and cash bar. For example, you can begin with an open bar during cocktail hour that will switch to cash bar at dinner and after. We are happy to discuss all these options with you and accommodate whatever you decide.

**CLIENT-PROVIDED ALCOHOL:** Under some circumstances, NH law will allow you to provide the alcohol. In this case we can still provide TIPS-certified bar service (fully insured). We can offer you guidelines as to what to purchase and even provide mixers, garnishes, soft drinks and equipment.

**GLASSWARE:** Stemware and glassware are available. Due to the diversity of styles and types of glasses, they are supplied by the piece, and rentals include service and handling. We will discuss the options with you.

**TABLESIDE BEVERAGE SERVICES:** If you would care for a formal toast or other beverage service to accompany your meal at the table, we can plan that together. Professional beverage service is an important part of any reception. Speak with one of our catering consultants to discuss your options and details.
